

Graduate Business Programs Study Grant Application 2023-2024

This grant application is for students who did not receive an automatic scholarship as part of their application for US government financial aid OR for international (non-residents) students who are not eligible US federal aid.

A Williams College of Business (WCB) graduate study grant is awarded for one academic year only. It is not renewable or transferable. Grant applications are considered on a rolling basis as received from students and based upon the availability of funds.

WCB graduate study grants are available for fully admitted WCB students only who are in good academic standing with a cumulative grade point average of 3.0 or higher. Provisionally admitted and non-degree graduate business students are not eligible for grant consideration. The grants are partial tuition awards, which are designed to assist students with financing their graduate study. Grant awards are made based upon financial need, merit, and the availability of funds. Therefore, grants may or may not mirror previous grants received.

YOU ARE NOT ELIGIBLE FOR AN WCB GRADUATE STUDY GRANT IF YOU:

- receive full employer tuition reimbursement.
- are awarded a graduate assistantship.
- are a Xavier employee or employee's dependent
- receive any other Xavier grant or tuition discount.
- are registered for fewer than 5 credit hours.
